

Market Place Journey

Step #01

Focus on General e-commerce. My platform name is Roomify which sells furniture and home rental.

Purpose

Provide a furniture to event organizers needing temporary furniture solution.
Temporary renters.

Provide affordable rental options instead of purchasing costly furniture.

Step # 02

Define your business Goals

Offers a flexible solution for users with space constraints by providing temporary furnishing.

Caters to event organizers who require short-term furniture solution.

Provide end-to-end services, including delivery, assembly and maintenance support.

Providing all types of furniture
living room furniture
desk, chair, storage solution
Ratios set, garden chairs
kitchen appliances.

Providing AR/VR placement for virtual furniture

Step # 03

Create A Data Schema.
